

EDUCATION

## Beths Grammar School, Bexley

Horizon Construction is pleased to present this education construction project. It was a new build administration block containing offices, feature entrance reception, welfare and boiler room. Construction took place within a busy existing environment and involved a modern high specification design.

-  Location: Bexley, London
-  Client: Beths Grammar School
-  Architect: Ingleton Wood
-  Project Manager: Ingleton Wood
-  Project Value: £1.6m
