

HEALTHCARE

Bilney Hall Care Home, East Bilney

Horizon Construction was delighted to complete this 10 bedroom healthcare / care home construction project. It included an extension with en-suite bathrooms, fully accessible disability bathroom, drug store, large open-plan day space and domestic kitchen area. The extension was linked to a previously extended home and involved a considerable extent of external works, bespoke designed self-contained foul drainage system and landscaped gardens.

-  Location: East Bilney, Norfolk
-  Client: Healthcare Homes
-  Architect: Esposito McLean Architects
-  Project Manager: JPJ Project Management
-  Project Value: £900,000
