

HEALTHCARE

Olive House Care Home, Norwich

The third return to this care home to construct further extensions to provide additional bedrooms, daycare space and to pave the car parking areas (replacing the gravel). The client required the care home to remain operational and close contact with home and site management was essential.

-  Location: Norwich
-  Client: Healthcare Homes
-  Architect: Esposito McLean Architects
-  Project Manager: JPJ Project Management
-  Project Value: £350,000
