

AUTOMOTIVE

Mercedes Benz Dealership, Southend-on-Sea

A design and build automotive construction contract to procure a phased refurbishment of the entire sales and aftersales facilities. The project included new valet areas and a ramp to connect external areas, whilst ensuring the client's business remained operational at all times.

- Location: Southend-on-Sea, Essex
- Client: Jardine Motor Group
- Architect: SRA Architects
- Project Manager: K2 Project Management
- Project Value: £1.6m
