

RESIDENTIAL

## St Andrews Close, Weeley

Horizon Construction is delighted to present this high quality and award-winning residential construction project at St Andrews Close, Weeley, Essex.

The project included the construction of 14 high specification houses, which were mainly a mixture of 2, 3 and 4 bedroom detached properties. All dwellings were finished to a standard, including sash windows, fireplaces, underfloor heating, fully fitted kitchens with integrated appliances and stone worktops, hardwood doors, full-floor coverings, patio, turfed and landscaped gardens.
